Dear Client:

You may fill out this application on-line – but you will need to **PRINT** it, sign it and fax/email it to me. You may try to “save” the document onto your computer, using a new name; but sometimes this .pdf format will not allow you to “save” the file – sorry!

- ⇒ Credit/Finance companies are getting VERY particular so please fill out the credit application as **completely as possible**.

SECTION A

NOTE:

If you need the **billing address** to be **DIFFERENT** than the address the car is garaged at (usually the home address) then please:

On the **FIRST** address line; write the address you want the **BILL** to go, write “Billing” after it. On the next line write the **HOME** address and write “Home Address” after it.

- ✓ If you are **SELF-employed**, please provide the name of your business / company.
- ✓ For Nearest living relative list someone that is NOT living at the same address.
- ✓ Don’t leave the income amount blank!

SECTION C

Please provide **mortgage information** whether you own or rent. If home is owned outright, write that it is “owned outright” and list current value.

For any **Credit Cards** or Bank Accounts you **DON’T** need to provide account numbers or addresses, names will be fine. If accounts are paid in full each month – write “paid in full.”

You **DO** need to provide complete name, address & phone numbers for your two references.

- ✓ Please **PRINT** a copy of the application for your records.
